WELCOME GOODY BAGS

If you wish for your business to participate in the "Welcome Goody Bags" given to new area residents when they come in for their Springtown Phone Book, then please provide at least 50 flyers, coupons or gift/goodies items to the chamber office EVERY MONTH.

This is a "FREE" benefit given to you as part of your membership fee and it is a great way to advertise your business to new residents to our community.

Please, help us with keeping your flyer basket full at the chamber office as there are just too many members to try and call each time your flyer box is running low. We will try to call and remind you but the traffic through the chamber office has increased so much that volunteers are needed to just help answer the phone's and keep the "Welcome Bags" stocked in the cabinet. It is up to you to take advantage of this great marketing tool for you and your business.
