- “E” - Marks where Electricity is available.
- 20 amp / 110 plugs only around the square.
- 30 AMP / 110 plugs only available Wells Fargo Bank (concession row)

VENDORS:

Vendors cannot tear down booths until 3:00 p.m. In order to ensure a safe & quick teardown, we ask that you pack your booth up BEFORE getting your vehicle.

When leaving the vendor parking lot at the end of the festival please be aware of the exit route. This route is to help alleviate congestion as we are trying to get you back to the square to load up your booths.

PLEASE FOLLOW THIS VENDOR EXIT ROUTE:

When leaving the vendor parking lot turn RIGHT on N. Avenue D, then turn LEFT on E. 5th Street, then turn LEFT on N. Avenue A.

There will be many vendors in line waiting to load their booths. Please be patient and we will do the best we can to get you to your booth location so you can load up and be on your way.

Thank you & we hope you have a successful day!
